# COT

Our company specializes in designing unique and elegant cots. Crafted with premium materials, our cots ensure both durability and comfort. The sleek, modern designs add sophistication to any nursery, with adjustable mattress heights and smooth gliding wheels for convenience.

## COT STARTS @ 50K

Each cot features beautiful finishes and colors to match your style. Elegant design elements like curved edges and intricate carvings set our cots apart. Perfect for newborns and growing toddlers, our cots blend comfort and elegance seamlessly.

# FALSE CEILING

Our false ceilings are designed to elevate your interiors with elegance and functionality. By integrating seamless designs, we hide unsightly elements and provide better soundproofing and energy efficiency, transforming your spaces beautifully.

## FALSE CEILING STARTS @ 30K (Around 250sqft)

We build amazing false ceilings that enhance the aesthetics of your interiors. Our customized designs not only conceal wiring and ductwork but also improve acoustics and thermal insulation, creating a polished and functional environment.
